Angelo Munhoz

Computer Engineer | Desenvolvedor FullStack

+55 (15) 99111-0120 | angelomca09@gmail.com | Sorocaba, SP - Brazil | [Linkedin](#) | [Github](#)

Goal

I look for opportunities that allow me to be in constant evolution, working in Web development where I can apply, pass on and learn new knowledge.

Skills and Knowledges

Based on my web development experience, my main skills are:

- Web Development + Figma
- JavaScript (ES9, TypeScript)
  - ReactJS (Hooks e Context API), NodeJS, AngularJS (legacy), NextJS
- Bootstrap, MaterialUI, TailwindCSS and PicoCSS
- MySQL, Postgres and MongoDB
- Git (Github and TFS)
- Linux Terminal
- Agile Methodology (Scrum and Kanban)
- Advanced English

Experience

Havan | Brusque, SC – Brazil (remote)
04/2021 – 11/2022
